Congratulations!!!

Congrats to Texas Southern University alumni and Houston Police Assistant Chief Sheryl Victorian who was selected to lead the Waco Police Department. Victorian's selection marks the latest move for a woman who broke barriers while at the Houston Police Department. Victorian joined the police department in 1993. She started at Southeast Patrol Division, and over the course of her career, served stints at the Training Division, Special Victims, Juvenile, Internal Affairs, Major Offenders, Homicide.

When she was promoted to captain (now known as commander) she was assigned to South Central. At the time, just two other Black women had held that rank. Soon after – in 2017 – Chief Art Acevedo selected her to join the highest ranks within the department, as an assistant chief.

Congratulations, Chief Victorian!

**PEER
SUPPORT**

We first want to acknowledge the amazing job HPD's Peer Support unit has been doing in providing an ear and outlet for officers. We at A.A.P.O.L. are working behind the scenes to get our Board of Directors certified to do the same. We understand that there are some things our members need to discuss and get off their chest, so we are in the process of providing our own outlet for our members.
